APPLICATION CONSIDERATION & CONDITIONS

An Application Fee is to accompany each application for exemption. The fee is set out in the Mackay Regional Council Fees and Charges Schedule.

Exemptions will be assessed based on the provisions of Mackay Regional Council's Policy No. 040 – Water Supply Conservation, taking into consideration: -

- Prevailing weather conditions
- Water allocation available to Mackay Regional Council
- Water demand and progressive annual consumption
- The realistic needs of the customer applying for the exemption
- Any special requirements of the customer applying for the exemption
- Supporting evidence tendered in justification of the application
- That the exemption is in the public interest

Mackay Regional Council reserves the right to withdraw or further modify any approved exemption at any time.

An application will not be considered unless the applicant is able to demonstrate and satisfy at least one of the below criteria: -

1. The exemption is essential to avoid an unduly adverse impact upon the livelihood of the customer should the designated level of water conservation be imposed and no reasonable alternative is available.
2. Exemption is necessary due to the special needs of the customer provided:
 - The proposal merely alters the hours permitted under the declared level of water conservation
 - The proposal merely alters the days permitted under the declared level of water conservation
 - The proposal would not increase the number of hours or days permitted under the declared level of water conservation
3. The exemption would avoid or minimise permanent physical damage to a building or structure owned by the customer.
4. The exemption is necessary to avoid any adverse effect on public health, wellbeing or safety.
5. The exemption is necessary to avoid serious health or safety consequences for an individual applicant.
6. The exemption is essential to avoid or minimise adverse effects resulting in permanent or irreversible damage to a public or private asset of historical, botanic or ecological significance.

The applicant must demonstrate and provide evidence that possible alternatives have been explored and no reasonable alternative is available, to the satisfaction of Mackay Regional Council.

An exemption, if approved, is not transferable to any other person or entity or location.

An exemption, if approved, is applicable only to the level of water conservation under which the approval was granted. Upon declaration of a revised level of water conservation, exemptions may be withdrawn, modified, or subject to additional conditions being imposed.

REASON FOR EXEMPTION

Please indicate the grounds for which you believe an exemption or modification should be granted.
(Tick appropriate box)
