Lagoons Gallery

Exhibition proposal

The Mackay Regional Botanic Gardens (MRBG) is committed to providing opportunities to local artists through the Lagoons Gallery and where possible, utilising outdoor spaces of the Botanic Gardens site. Based on availability most exhibitions, installations and displays will feature for 4 weeks.

Exhibitions, Installations and Displays that will be considered:

- Proposals which demonstrate a clear exhibition rationale or curatorial theme. Preference will be given to proposals with links to nature, the environment, Mackay's culture and history and MRBG.
- Preference will be given to proposals that provide the artist/s with an opportunity to display new work to the public.
- Exhibition proposals for solo or small group exhibitions will be preferred over large group shows or competitions due to the nature of the exhibition space.

Exhibitions, Installations and Displays that will not be considered:

- Artworks that are unsafe, dangerous or may physically threaten the public's health and safety.
- Artworks considered obscene, defamatory or which could result in legal action against the Mackay Regional Botanic Gardens and Mackay Regional Council.
- Artworks that may damage the Lagoons Gallery fittings, building and surrounds, the Living Collection or garden beds.

Please note: Exhibitions and displays appearing in the Lagoons Gallery and any gardens or lawn areas will not have sole use of that area.

Artwork Requirements

The hanging system is gallery rail with movable cables and adjustable hooks. A maximum of 20 hanging artworks per exhibition applies. Please ensure **ALL** artworks to be hung have two 'D' shaped hangers (12mm minimum) on the back of the works. We recommend the hangers are attached at least 60mm from the top of the artwork so the adjustable hooks are not visible when the work is hanging. **If artworks do not have the required hangers on the back, there is no guarantee they will be hung as part of the exhibition.**

Two showcases suitable for displaying small sculptures, works on paper, art diaries, photos etc. are included in the exhibition space.

Large showcase Height – 400mm
 Width – 1750
 Depth – 860mm

Small showcase Height – 400mm
 Width – 860mm
 Depth – 860mm

If the showcases are not utilised by the booking artist/group, MRBG reserves the right to display in the showcases throughout the exhibition.

All artwork included in the exhibition must hang on the gallery system or fit in the showcases. Utilising floor space or hanging from the ceiling is strictly not permitted.

MRBG allows one label per artwork and one A4 didactic panel or artist/s statement per exhibition to be hung on the walls. Any further information you would like included will need to be through brochures/flyers etc. provided by the exhibitor.

Security

Café staff are not responsible for supervising the Gallery during the open hours.
