

PLANNING SCHEME POLICIES¹

Index of Planning Scheme Policies

PLANNING SCHEME POLICY NO	NAME OF PLANNING SCHEME POLICY
1	Bushfire Management
2	Child Care Centre
3	Community Safety Design
4	Master Plan
5	Character/Heritage Protection
6	Environmental Protection
7	Erosion Prone Area
8	Flood & Inundation Management
9	Home-Based Business and Home Occupation
10	Landscape Character
11	Landscape
12	Open Space
13	Reconfiguration of a Lot
14	Reference Documents
15	Engineering Design Guidelines Index
15.01	Engineering Design Guideline - Geometric Road Design
15.02	Engineering Design Guideline - Pavement Design
15.03	Engineering Design Guideline - Structures – Bridge Design
15.04	Engineering Design Guideline – Subsurface Drainage Design
15.05	Engineering Design Guideline - Stormwater Drainage Design

¹ Planning scheme policies are not part of the Planning Scheme. A planning scheme policy supports a local dimension of the planning scheme. The process for adoption and amendment of planning scheme policies is specified by Chapter 2, Division 5 Schedule 3 of the *Integrated Planning Act 1997*.

15.06	Engineering Design Guideline - Site Regrading
15.07	Engineering Design Guideline - Soil and Water Quality Management
15.08	Engineering Design Guideline - Cycle and Pathway Design
15.09	Engineering Design Guideline - Bushfire Protection
15.10	Engineering Design Guideline - Design Quality Assurance (DAQ)
15.11	Engineering Design Guideline - Landscape
15.12	Engineering Design Guideline - Water Supply Design
15.13	No Policy
15.14	Engineering Design Guideline - Sewerage System Design
15.15	Engineering Design Guideline - Constructed Lakes
16	Contributions Policy Index
16.01	Transport Network Contributions Policy
16.02	Parks Contribution Policy
16.03	Water Supply and Sewerage Contributions Policy
16.04	Stormwater Trunk Infrastructure Contributions Policy
