Team at Mackay Regional Council assist Region's Growth

Mackay Regional Council's Economic Development program is working to assist with the fast-paced growth of the Mackay Region.

The team includes Manager of Economic Development, Julie Cardiff, along with Economic Development Officer, Melina Pavlic and Administration Officer, Lassara Reinke.

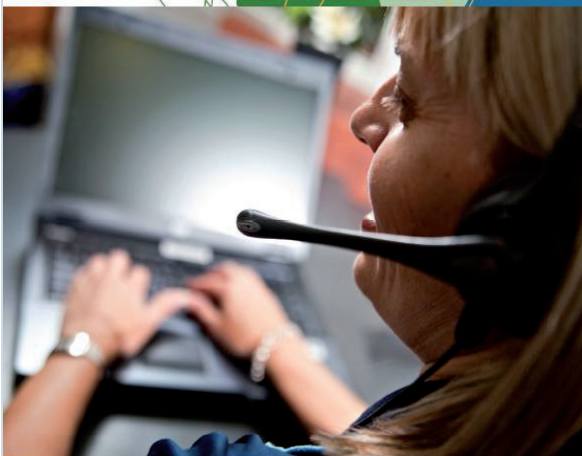

Through face to face business forum events and new e-business networks, council is in regular communication with a growing network of over 700 businesses around the region, to provide up to date publications

and information.

Latest publications available in hard copy or downloadable from the council website www.mackay.qld.gov.au/business/economicdevelopment include:

- Mackay Region e-Business Guide
- Mackay Statistical Snapshot Economic Activity
- Mackay Regional Council Population and Housing Profile
- Mackay Regional Profile
- Local Area Profiles for Mirani and Sarina

Mackay Region e-Business Guide

Mackay Regional Council's Economic Development program has also developed the brand new Mackay City Centre website, www.mackaycitycentre.com.au, providing information on businesses within the City Centre to locals and tourists alike.

Economic Development works closely with the team at Regional Economic Development Corporation (REDC), including administering annual funding for REDCs work across the broader region.
