DEVELOPMENT ASSESSMENT - PLANNING	
COMPLIANCE AND GOVERNANCE - BUILDING FEES	
<p>1. Where the fee is shown as POA (Price on Application) quotations will be provided upon request to the Manager Development Assessment - Planning, in writing and including forms and building plans (1 copy)</p> <p>2. Important Note: All fees are exclusive of the prescribed archive fee contained in the Regulatory Fees and Charges</p> <p>3. GST applies to all Building Fees</p> <p>4. No refund of fees will be made by Council in the event of the application lapsing or Council refusing the application</p> <p>5. A 100% surcharge applies to all retrospective development applications that is building works already commenced and/or completed</p> <p>6. The fee structure includes one inspection of all mandatory inspection stages as noted in the Development Permit. In the event additional inspections become necessary, the relevant additional/re-inspection fee will apply and must be paid prior to the service being provided.</p> <p>7. Offshore islands' inspection costs are additional to the standard fees and charges as detailed below. The required additional fee is to be negotiated with MDA-P at the time of lodgement of an application or request that requires one or more site visits. The additional fee will incorporate travel costs and additional staff time.</p> <p>8. Applications that are not well made will incur a further application fee of 50% of the quoted fee. Guidelines have been prepared in relation to this matter. A well made application will need to be a properly made application (IPA 3.2.1) and include the correct property and owner information, supporting documentation and correct number of copies.</p>
