

PROJECT UPDATE #04

July 2018

Overview

The park is located at 33 Norris Road Park Access, North Mackay. The site is adjacent to the Mackay PCYC. The \$2.2 million project is jointly funded between the Australian Government and Mackay Regional Council.

Features of the new park will include:

- ❖ Competition Bowl
- ❖ Intermediate (Mini) Bowl
- ❖ Street Circuit
- ❖ Parkour Area
- ❖ Multipurpose Court & Hit up Wall
- ❖ Terrace and Spectator Areas & Stage for Events
- ❖ Picnic Facilities & Landscaping
- ❖ Amenities

Progress

The skate park is really coming together now, platforms around the bowls are mostly complete and concreting of the bowls has commenced. Paths and the street skate circuit are also well underway.

Recent project activities include:

- ❖ Platforms of bowls underway
- ❖ Pathways within skatepark continuing
- ❖ Concreting to bowls underway
- ❖ Amenities block installed.
- ❖ Modification to allow Dozer Blade to be skated complete

There will be an opportunity to check out the park progress on Wednesday, July 11, at 5pm with the project team conducting a site visit to allow anyone interested to view how the park is shaping up. To gain entry in to the site, you will need to wear covered-in shoes.
