

Creek Cherry

Syzygium australe
siz-IDG-ee-um oss-TRAH-lee

This fast-growing evergreen native is a popular choice for shade trees and hedges. Glossy green foliage starts off a beautiful bronze colour.

White powder-puff like flowers are followed in summer by edible pink berries that have a crisp apple-like texture and mild sweetness.

Category: Tree (5-10m)

Height: 3-6 metres

Spread: 2-3 metres

Full sun to part shade

Drought tolerant once established

Prefers rich well-drained soils

Pollinator attracting

Traditional use plant

Suitable for hedging

HOT TIP:

Suitable for hedging and screens. Prune from a young age to encourage thick dense growth. Suitable for pots.
