

Native Violet

Viola banksii

Vy-OH-lah banks-ee-eye

An attractive kidney-shaped perennial ground cover with petite mauve and white flowers.

Native Violet looks beautiful cascading from a hanging basket or tucked between pavers for a soft green pathway. If planted in full sun, ensure adequate moisture.

An ideal lawn substitute in low traffic areas.

Category: Ground cover

Height: 0.15 metre

Spread: 0.25 metre

Part shade

Moderate water

Well-drained moist soil

Insect attracting

Suitable for hanging baskets

Lawn alternative

HOT TIP: Looks great paired with Yellow Buttons - *Chrysocephalum apiculatum*.
