Guidelines

Jubilee Community Exhibition Space

Located in the foyer of the Jubilee Community Centre, Civic Precinct, Gordon Street, the Jubilee Community Exhibition Space offers exhibition and display opportunities to local artists, art collectives and community groups. Exhibitions and displays change every fortnight so you can visit regularly and find new and interesting things to see and do.

Opening times

The Jubilee Community Exhibition Space is typically open Monday to Friday, 8.30am – 4.30pm. Entry is free of charge.

The facilities

The Jubilee Community Exhibition Space is part of the Jubilee Community Centre, which houses Mackay Regional Council offices and training rooms as well as a suite of meeting rooms available for community hire. Located in the Civic Centre Precinct, it is close to the Mackay Entertainment and Convention Centre, Artspace Mackay and Foodspace Cafe, Mackay Regional Council Chambers and Jubilee Park.

Please read on to see how you or your group can become involved and showcase your artwork or display to a growing number of Mackay residents and visitors to the area.

Mackay Regional Council is committed to providing opportunities to local artists, art collectives and community groups through the Jubilee Community Exhibition Space. Based on availability, most exhibitions and displays will feature for twelve days.

To be considered for an exhibition or display, please submit your completed exhibition proposal with an attached copy of your public liability insurance Certificate of Currency online. If you would prefer to submit your proposal in hardcopy, forms can be collected from the Jubilee Community Centre, and when completed returned in person at the front reception, Jubilee Community Centre or scanned and emailed to: jubilee@mackay.qld.gov.au.

Exhibitions and displays that will be considered

Exhibition proposals from local artists, art collectives and community groups, which seek to connect and empower people and encourage positive change within our community. ***Please note: you must reside within the Mackay region to be eligible for this program.***

Preference will be given to exhibition proposals which demonstrate a link to:

- Place: creating identity, culture and connection;
- Participation: an engaged and caring community;
- Partnerships: Capacity building and working together;
- Prosperity: Living, working and doing business in the region;
- People: A healthy and safe community.

Exhibitions and displays that will NOT be considered

Artworks or displays that are unsafe, dangerous or may physically threaten Council staff and the general public's health and safety will not be exhibited.

Artworks or displays that are considered to be obscene, unsuitable for children, defamatory, culturally unacceptable or may lead to legal action against Mackay Regional Council will not be exhibited in the Jubilee Community Exhibition Space.

Artworks or displays that may potentially damage the Jubilee Community Exhibition Space fittings or buildings and surrounds will not be exhibited.

Please note

Exhibitions and displays appearing in the Jubilee Community Exhibition Space will not have sole use of that area. The public will regularly walk through the space to access to the Jubilee Community Centre front reception desk and Mackay Regional Council reserves the right to host other activities and functions within the foyer space whilst exhibitions and displays are on. Please discuss this possibility with Jubilee Community Centre administration staff if you have any concerns.

The space

The Jubilee Community Exhibition Space has 15.65 metres of linear wall space to a height of 2.36 metres over 4 rendered walls, light grey in colour. The foyer receives a high amount of ambient light during the day via clear glass walls along one side of the foyer. The Jubilee Community Centre, and Jubilee Community Exhibition Space within the centre, are air-conditioned.

The Jubilee Community Exhibition Space has hanging cables and hooks for hanging artworks on the Gallery System and we recommend that exhibitors use two D-shaped rings on the back of their works. No more than 25 works are to be exhibited at any one time on the walls.

We recommend that works on paper be framed behind Perspex or glass. A set of 24 wooden Perspex Gallery Frames are available. Frame measurements are: 400mm x 550mm and can be hung portrait or landscape.

Free-standing artworks, sculptures and displays may be displayed in the floor area of the foyer exhibition space upon discussion with administration staff. Please discuss your requirements and concepts with staff at the Jubilee Community Centre.

Three display showcases, five plinths and a large, permanent digital screen are also available for use by Exhibitors. Please discuss your requirements with Jubilee Community Centre staff.

is the responsibility of the exhibitor. Any communication regarding sales of artworks is to occur between the exhibitor and buyer. Mackay Regional Council staff will not act as brokers. Works sold must not be collected until after the closing date of the exhibition.
