Our Corporate Plan 2022-2027 sets our strategic direction over the five-year period through five pillars (shown in Figure 1), that will be the focus of Council and delivered by numerous key strategies, policies and initiatives.

The Operational Plan 2022-2023 outlines how we will progress implementation of our Corporate Plan 2022-2027 during the financial year.

Specifically, the Operational Plan 2022-2023 details programs, projects and services that we will deliver in 2022-2023 to achieve our vision. Each action has a lead Council program and an evaluation measure that we will use to monitor and report on our performance.

We are required to report on implementation of the Operational Plan on a quarterly basis, in accordance with s.174(3) *Local Government Regulation 2012*. Performance against quarterly targets are reported as 'on target', 'below target' or 'complete'. Actions that will be progressed in a later quarter are reported as 'report not required this quarter' and have a zero target in the reporting period.

This report is for the second quarter ending 31 December 2022 and is presented to the ordinary meeting of Council on 22 February 2023.

Figure 1: Mackay Regional Council Corporate Plan 2022-2027 Pillars

The Operational Plan Quarterly report for the end of December is the 2nd Quarterly Report under the revised reporting process and new Corporate Plan Framework developed for 2022/23. Being new, the process is constantly being reviewed, including assessing the practicalities of reporting under the new arrangements. This framework is being assessed for improvements for the 2023/24 Operational Plan being developed now

A number of items are marked as below annual target. Each of these have been critically assessed with a view where possible to ensure that they are achieved by end of June, noting that some (ie Staff engagement score) will not given there is no more assessment action post the survey which was the performance indicator.

Key highlights for achievement for the Quarter being completed/ahead of target are –

- Promotion of disaster preparedness through awareness and educations programs has been completed ahead of target and in line with the peak cyclone and wet season
- The target to increase the MECC Youth Ambassadors has been achieved; and
- A local coastal plan (Sarina Beach) has been developed/reviewed ahead of schedule.
