

Disc Golf course coming soon to John Breen Park

Something exciting is coming to John Breen Park!

Work will start in late-October to bring an exciting new sporting activity to North Mackay.

The project, driven by Mackay Disc Golf, will see the region's first permanent course built at John Breen Park.

The new nine-hole course will be suited to both first-timers and seasoned players.

During construction, small sections of the park will be cordoned off, however the remainder of the park will still be accessible.

The course is expected to be completed and available for use by the public in early-December, weather permitting.
